INTRODUCTION

TS TOP tools is owned by the **TAIWAN SOCKET GROUP** and is established in year 2000 in China Main land. It is a Premium Professional Hand Tool Company with a strong manufacturing base, state of the art design and research facilities, is equipped will ultramodern torque testing machines, a 2 Lakh sq. feet warehouse and a vibrant distribution and logistics base. TS TOP is exported to US, Europe, Middle East & Africa in addition to a vast dealer network in China.

TS TOP has about 1000 SKU'S in its range today, it consists of:

- * Hand Tools for Industrial manufacturing & Repair.
- * Tools storage in premium quality.
- * Automobile manufacturing and repair Tools & Accessories.
- * Motorised Chopsaw & wide range of Power Tools.
- * Construction & Mining Tools.

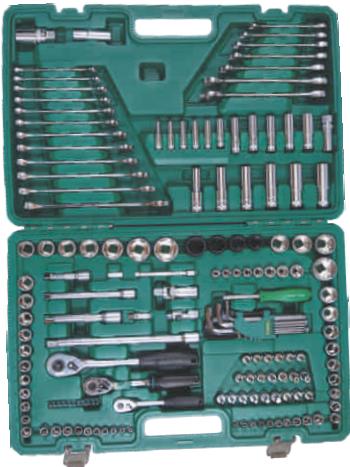

TS Top Quality meets or surpass the US, AVSI, German DIN Standard & National Standard.

400 TYPE PROFESSIONAL CUTTING MACHINE

A worker in a green shirt and cap is using a green 400 Type Professional Cutting Machine to cut a piece of metal. Sparks are flying from the cutting wheel. The machine has a portable wheel assembly. In the background, there are stacks of metal pipes and beams.

Portable Wheel

Strong Power
